

School Community Council Candidate Form

Serving on the School Community Council

Serving on the Community Council is a wonderful way for parents and teachers to contribute and help improve academic performance at our school. The school receives an annual dividend from the school trust lands. Our council decides how these funds will be used. The council reviews and prepares academic plans to reach our goals each year. All plans are reviewed for final approval by our district school board.

Qualifications

Every public school in Utah has a community council. The councils are made up of school employees who are elected by employees and parents who are elected by parents of students attending the school. Membership terms are for two years, but may be extended. Elections are held at the beginning of each school year. Parent members must have a student attending the school at least one of the two years of their term of service. Employees must be employed by the school district and assigned to the school.
