Testing Transparency

All parents and guardians of a student attending East Elementary may request information regarding any State or local educational agency policy regarding student participation in any assessments mandated by section 1111(b)(2) and by the State or local educational agency. To view the current list of assessments provided and/or required by USBE, please visit the [USBE Assessment and Accountability webpage](#), or contact principal Mike Moyle or Jennifer Smith for further information. Parents also have the right to opt a child out of such assessments. You will find the Parent Exclusion form, with information about each of the assessments that apply, on the [USBE Assessment and Accountability webpage](#). You may contact the front office to request a Parental Exclusion form that will need to be signed and returned before the testing begins.
